NOTES

The times blocked in grey are the maintenance windows that IT Services uses to perform general IT system maintenance. Please refrain from using the IT systems during these times as some may not be available. Please note, not all systems are unavailable each week, only those that are actively being maintained. If you have questions about key system availability on a specific date and time during a designated maintenance window, please call the IT Service Desk at 905.721.3333.
